ORDER OF THE ARROW

ALIBAMU LODGE

ORDER OF THE ARROW

Brothers,

First, I would like to thank you for electing me as your Lodge Chief. It is a privilege to serve the lodge in this position, and I am very grateful for the opportunity.

For my term, I want the lodge to be a welcoming place where unique memories and experiences can be created by each brother. I plan to focus on tailoring events to have something for everyone to enjoy while cheerfully giving back to our camp and organization. I would also like to maximize communication to ensure that information about the OA and our events is easily accessible. Overall, I want to encourage the lodge's growth this year while sustaining our traditions of brotherhood and service.

Remember: you are a piece of the puzzle. With your help, the lodge will continue to be the wonderful brotherhood that has such a large place in our hearts!

Yours in service,

Rosie A., Lodge Chief

Greetings to all the Scouts and Scouters of Alibamu Lodge # 179!

On behalf of our Council President – Ms. Jill Singleton, Council Commissioner – Mrs. Sharon Nettles, Council VP of Program – Mr. David Lewis, and Council Camping Committee Chairman – Mr. Robert Schodorf, thank you for promoting our camps, delivering year-round long and short-term camping programs, and for completing maintenance and support work for our two camp properties.

This past year was another great year for the Lodge, and we are grateful for the leadership of Lodge Chief Lucas Luster and the Lodge Officers and Chairmen. I was extremely proud to see the Alibamu standard of BEST ALL AROUND LODGE continue this past spring at Section E-6 Conclave! Fantastic job, ladies, and gentlemen.

We are looking forward to continued service and successes under the leadership of Lodge Chief Rosie Aaij. Safeguarding Youth is our first priority in meetings and in the field, so keep safety first in all that we do and continue to lead and serve cheerfully! The Tukabatchee Area Council is grateful for the many contributions of Alibamu men and women on every level of Scouting!

Yours in Cheerful Service,

Rodney G. Cousin
Supreme Chief of the Fire

ALIBAMU LODGE

ORDER OF THE ARROW

Welcome, New Arrowmen!

As a member of Scouting's national honor society, your primary responsibility in Scouting is to help your troop. An important way to do this is an OA Troop Representative. This position allows youth under age 18 to act as a liaison between the unit and the OA lodge while earning time toward their leadership rank requirements.

An OA Troop Representative must attend both his troop meetings and lodge events, and act as a communication link between the two. This opportunity allows the OA to better serve the troop, and gives members an idea of what the OA is doing within the BSA council.

Events in the Lodge: The OA is about more than events, and most OA events are not like the Ordeal. Most events are designed with fun and fellowship in mind. Leadership training opportunities and community service projects are also part of the OA. Attending these events is a great way to meet experienced Scouts from other units, promote Scout camping, find help for your Eagle leadership service project, and have fun. Youth can also plan the events in lodge committees and run for lodge leadership positions.

National OA Programs: The National Order of the Arrow provides several high adventure and national programs that benefit its members and Scouting. The adventure programs allow youth members to give important service, form lifelong friendships, and learn about leadership.

The OA Trail Crew at Philmont Scout Ranch, Wilderness Voyage at the Northern Tier High Adventure Base, and OA Ocean Adventure at Florida Sea Base are amazing events for a young Scout. See more on page 37.

National Order of the Arrow Conference: Every two years, the National OA has an amazing conference of 7,000 Arrowmen at a major university called NOAC.

Brotherhood Membership: Every Arrowman is expected to continue their journey beyond the Ordeal to Brotherhood membership. The challenges involve learning of the traditions of the Order of the Arrow, growing in service to others, and sealing your membership in the Order of the Arrow. Brotherhood membership does not involve another Ordeal. Study guides, ceremony information and other Arrowmen in the lodge are available to help you.

Lodge Membership: Your lodge dues expire every year on 12/31. Troops are encourage to register all OA members together. You cannot participate in OA events without having your dues currently paid.

2025-2026 Lodge Goals

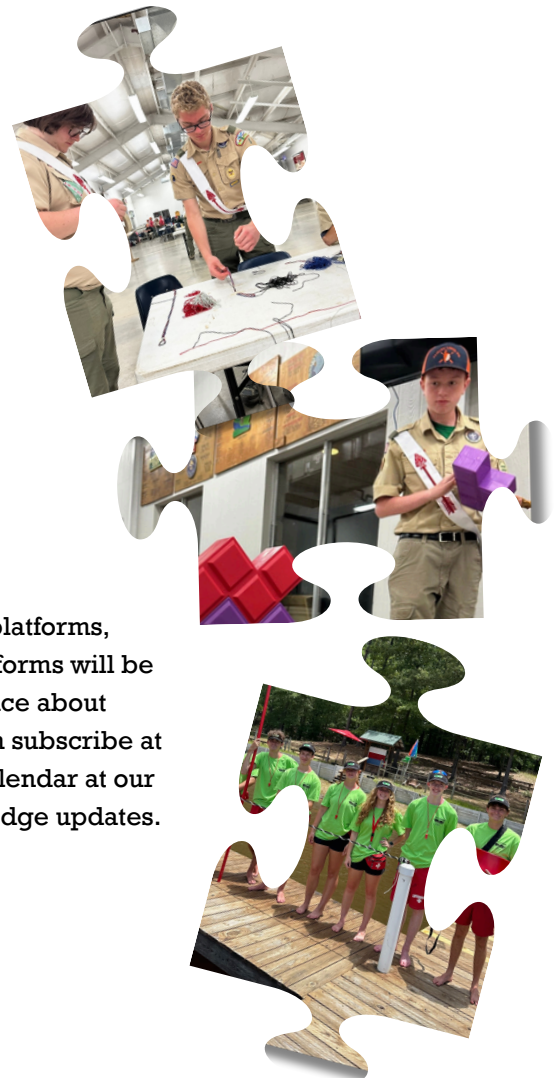

- Earn Best All Around Lodge in Section E6 and meet the High Performing standard in the Lodge Performance Measurement Program
- Send at least two youth to the National Leadership Seminar
- Attend a successful and memorable conclave for all Arrowmen
- Bring 20% of Alibamu brothers to the 2026 E6 Section Conclave
- Have 85% activation of 2025 new Ordeal members
- Have 55% of Ordeal members obtain their Brotherhood
- Have at least 70% retention of youth members from 2025 to 2026
- Have at least 90% of LEC youth attend Lodge Leader Development training
- Induct 90% of eligible Ordeal candidates

2025-2026 Officers: Thomas Lawlor (Vice Chief), Rosie A. (Chief), Walker F. (Treasurer), and Sippi Aaij (Secretary.)

2025-2026 Lodge Annual Plan

- Each year, the lodge has two ordeals and a fall fellowship
- We send a contingent to Service Beyond the Fire (previously Indian Winter) and Section E6's conclave.
- We also sponsor an Order of the Arrow night at summer camp and winter camp.
- We plan to increase our service opportunities throughout the year. For instance, we are sponsoring a 5-mile hike in November to help Scouts complete requirements for First Class.
- Through our troop visitation plan, we hope to increase Scout participation in the lodge and other council programs.

Lodge Communication Plan

Alibamu's communication plan includes communication on many platforms, including the lodge website, Instagram, and Facebook. These platforms will be able to reach more people in our lodge and inform a larger audience about lodge events. We also have 4-6 newsletters each year, and you can subscribe at alibamu179@gmail.com. You can also subscribe to our Google Calendar at our website. Follow our social media accounts today to get the latest lodge updates.

*OA Legacy Fellow

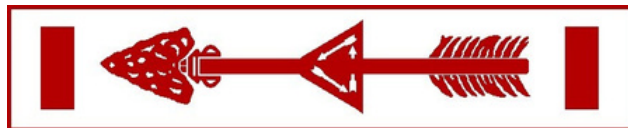

James E. West was appointed to the position of Chief Scout Executive in 1910 by the founding leadership of Scouting in America. Under his leadership over the next 33 years, Scouting grew and matured into the program we recognize and enjoy today. West is credited with not only helping form Scouting but guiding, protecting, and nurturing the program through many critical challenges.

There can be no finer honor paid to a Scouter than to be named a James E. West fellow, indicating that the nominee is in the same spirit and dedication to Scouting as West was. Those who are recognized by the James E. West Fellowship Award will cast their own "lengthened shadow" as they help ensure the Scouting legacy. Alibamu Lodge has honored these members as James E. West fellows.

»»» Vigil Honor Members

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office to their lodge or Scout camp.

Our lodge has recognized 410 members with the Vigil Honor.

»»» Tukabatchee Area Council

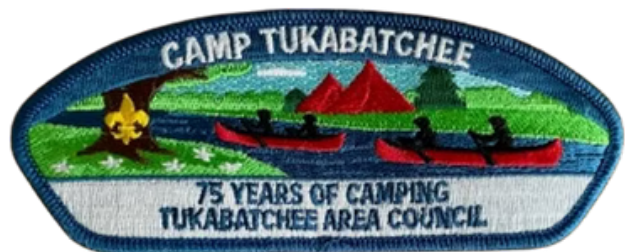

In 1918, the Selma Council was formed as a second-class council. A second-class council was one without a full time professional. Records show this council only existed until 1920.

Not much is known about Scouting in the Montgomery area before 1919. In 1919, the Montgomery Council was formed with Mr. H. E. Hoppen as the first Scout Executive.

In 1936, the Montgomery Council expanded with the addition of Autauga, Bullock, Butler, Chilton, Coosa, Dallas, Elmore, Lee, Lowndes, Macon, Tallapoosa and Wilcox counties. The council name was changed to the Montgomery Area Council and the Boy Scout program had begun its expansion in central Alabama.

During the war years, Scouting continued to grow and in 1944 Crenshaw County joined the Montgomery Area Council. In 1947, Lee County separated from the council and the council took on a new name to better signify its broad area of responsibility. The new name was the Tukabatchee Area Council. In 1957, Perry County joined the council and the council again served 14 counties.

Over the years, Scouting in central Alabama has continued to grow. As of 2020, the Tukabatchee Area Council serves nearly 12,000 youth members annually in Cub Scouts, Boy Scouts, Venturers, Explorers and in-school Learning for Life members. Traditional membership in Cub Scouts, Boy Scouts and Venturers averages 7,000 members. Adult volunteer registrations average 2,000 annually.

From Alabama to Alibamu: A History of the Lodge 179

In 1939, the Alabama Lodge 179 was created for the Montgomery Area Council. The charter members were Griffin Key, Robert W. Lundquist, Robert C. Lundquist, Robert V. Mullen Jr., and Robert Young. The 4 youth were from Troop 6 in Montgomery and Mr. Lundquist was the Scout executive. Cherokee Lodge 50 of Birmingham, Alabama inducted them on September 2, 1939. Their induction was held at Camp Andrews during Area G conference.

The lodge was formally chartered on June 25, 1940. The totem chosen for the lodge was an arrowhead with an "A" superimposed. The formation of the lodge was greatly helped with Charles B. McKee's assistance. McKee transferred from Quapaw Lodge 160 in June 1942. The lodge's first Ordeal was held on June 26, 1940 at Camp Rotary on Lake Jordan. The staff of Camp Rotary elected Stevie Adair, Benson Cain, Billy Cater, Calvin Crow, Mac Harris, Dan Hagood, Hugh Mauldin, Ed McGhee, Jim Mills, Billy Norman, Gordon Peerman, Jim Price, Stuart Stephenson, Jack Walters, and Bill Winston. The lodge's second Ordeal was held a week later on July 2, 1940. The ceremonies for these Ordeals were held on July 3 and 4, 1940 at Camp Spring Villa. Another Ordeal and ceremony were held at Camp Rotary November 29 to December 1. The lodge's first regular ceremony ring was in the woods next to Camp Rotary. There were no other lodge activities in 1940.

Due to a change in Scout executives, the lodge was not very active in 1941. Lodge members did assist the staff at summer camp. A summer pilgrimage was held at Camp Rotary. From 1941 to the 1970s a pilgrimage was a summer fellowship, not the Ordeal weekend we have today.

1942 saw the Alabama Lodge's first Brotherhood members: Robert W. Lundquist, Robert C. Lundquist, Hugh Mauldin and Robert Young. These became the lodge's first degree team. The degree team, on August

8, 1942, inducted the sixteen charter members of Cowikee Lodge 224 of Dothan, Alabama at Camp Rotary on Lake Jordan. Lodge members began to serve the council in the lodge name by assisting with camporees and courts of honor. A summer pilgrimage and Christmas banquet were held this year.

In 1943 the lodge made camp improvements, continued to assist with camporees and courts of honor, served on summer camp staff and held camp promotions. A summer pilgrimage was held. An annual banquet was held December 30, 1944 with 44 members present.

1945 saw Ordeal initiations at the end of each of the 6 weeks of summer camp. The lodge painted boats, built council ring benches, improved the OA ring and made other general camp improvements at Camp Rotary.

At some time during the 1940s, the lodge totem was changed to the right profile of a Creek Indian wearing a single feather. At the January 28, 1946 council executive board meeting, the council name was changed from the Montgomery Area Council to the Tukabatchee Area Council. A summer pilgrimage and annual banquet were held this year.

A summer pilgrimage and annual banquet were held in 1947.

On May 21-22, 1948, Alabama continued the trend of helping other lodges. Eleven members from the Alabama Lodge inducted the twenty-four charter members of Yustaga Lodge 385 of Pensacola, Florida at Camp Big Heart. The only lodge activities this year were Ordeal initiations. In late 1948 the lodge discussed changing the lodge's name to Alibamu. The name was officially changed sometime in early 1949. The name Alibamu is taken from the Alibamu tribe of Indians who lived in the council's territory. The word is most likely of Choctaw origin and came from "Alba ayanulo," which means, "I make a clearing." The Alibamuans were a Muskogee tribe formerly living on the banks of the Alabama River. They later became a member of the Creek Indian Confederation. Early 1949 saw the lodge's first emblem, a white round with the totem and lodge name in black. The construction of the council's new camp, Camp Tukabatchee, was underway in 1949.

Twelve youth members of the lodge attended an area conference at Camp Pellissippi April 29-30, 1950. In February 1950, the idea of a lodge neckerchief was

brought up. The neckerchief was first sold on July 30, 1950, at the lodge's tenth anniversary pilgrimage. The neckerchief was a white scarf with the Green Round patch sewn on. You had to be Brotherhood to buy a neckerchief and you could purchase as many as you wanted. There were 43 Arrowmen in attendance at the 1950 pilgrimage. The lodge received its tenth anniversary patch just in time for the 1950 National Scout Jamboree. This patch was sold for a mere \$0.25 at the 1950 pilgrimage. Lodge Chief Lloyd C. Warr and one other Arrowman attended the 1950 National Order of the Arrow Conference. It was in 1950 that John Dowe and Robert C. Lundquist Sr., became the first Arrowmen to receive the Vigil Honor from Lodge 179. Their ceremony was on August 9, 1950. On the same day, the plug was placed in Lake Mildred at Camp Tukabatchee. Less than a year later they would see the first Scouts enjoying the new camp. At this new camp, ceremonies were held in the gully behind the parking lot.

Lodge members served on the camp staff at Camp Tukabatchee and Camp Atkins in 1951. The lodge presented the campfire program twice a week at both camps.

Construction of the Charles B. McKee Order of the Arrow Lodge was begun in 1952 and completed in 1953. In 1952, Charles B. McKee became the editor and publisher of the Quiver, the Area V-a newsletter. He held these positions until 1960 when the newsletter was canceled. The lodge hosted the first Area V-a Conference May 16-18, 1952. There were 100 in attendance at a cost of \$3.50 each. In August 1952, lodge members traveled to Tuscaloosa to induct the charter members of Aracoma Lodge 481. This was the third lodge that Alibamu is grandfather to. The lodge conducted the summer campfire programs at camp once a week and continued to promote camp and help with camporees. Lodge members attended the national conference this year. This year a summer pilgrimage, fall fellowship and annual banquet were held.

The Carver Chapter for black Scouts was mentioned in lodge records for the first time in 1953. We believe the Carver Chapter was the first chapter for black scouts in the South. This chapter, which held its activities at Camp Atkins, had four Vigil Honor members. Ernell Hill was the field executive in charge of the Carver Chapter. Due to their inactivity, the Cholocco Litabixie Chapter absorbed this chapter in 1998. The dance team performed at Camp Atkins and Camp Tukabatchee. These performances created considerable interest in the OA and were an incentive for non-members to become Scout campers and First Class Scouts to be eligible for OA membership. During this era lodges could still add requirements to the election criteria for membership. Our lodge had a First Class rank

requirement. In 1953 an outstanding camper of the week medal was presented by the staff based primarily on service, spirit, interest and cooperation. A service award was also presented to the staff member of the year. Campers voted during the summer and the staff member receiving the most votes was presented an engraved Scout statuette at the annual banquet in December. A pilgrimage was held this year, but a fall fellowship was not.

Four lodge members attended the 1954 National Order of the Arrow Conference in Wyoming. Lodge members served on the staff at both camps and at the annual council camporee. Bird feeders were installed and other conservation projects were completed at camp. The summer pilgrimage was held as well as an annual banquet and dance.

1955 saw yet another major change in the lodge totem. The totem was more detailed and cleaner looking. Lodge members built tent frames at camp. A pilgrimage, fall fellowship and banquet were held. The lodge conducted camping training for Girl Scouts this year.

The first lodge rules were written in 1956. A pilgrimage, fall fellowship and banquet were held. Girl Scout camping training continued this year and the lodge assisted in a Civil Defense demonstration. The dance team performed 9 times that year at summer camp, NOAC, the area conference and at the YWCA camp.

The summer pilgrimage, fall fellowship and annual banquet were held in 1957. The lodge continued to help the Girl Scouts, promote camping and use the dance team for promotion. In April of 1958, the lodge's first flap shaped patch was issued. Lodge members could purchase two per year. Brotherhood members could purchase 1 matching neckerchief per life. Tom Maynor was the deputy national conference chief of training at the 1958 NOAC. Thirty-eight Alibamu Arrowmen attended this NOAC at the University of Kansas.

Area V-a held its National Order of the Arrow Training Course at Camp Tukabatchee April 18-19, 1959. This was a forerunner to the NLS. Alibamu hosted the course at a cost of only \$5. The lodge built a new chapel area at Camp Tukabatchee. The lodge sponsored a JLTTC course this year and at some point from 1956-1959 sent a group to Schiff Reservation for a JLTTC course.

During the 1960s, the lodge strengthened its standing as a leader by conducting two major service projects. In the Alibamu Voyageur Treks, the lodge donated canoes and equipment to a council-

wide canoe program. In the treks, lodge members led Scout groups down the Alabama River. In the other service project, the lodge planned, built, marked, ran, and maintained the Horseshoe Bend Trail. The Horseshoe Bend Trail is listed in the "Campways of the Boy Scouts Atlas." Built on the site of one of several well-known local battlefields, the trail incorporated both history and hiking into one event that still draws many Scout groups from around the region. The lodge no longer runs this trail. The trail was formally dedicated on August 26-27, 1960 as part of the fall fellowship with 34 Arrowmen present. The Towassi Chapter dance team performed two or three shows at the South Alabama Fair that fall. Six attended another Schiff JLTC course. The lodge purchased and installed new lights and a sound system at the council ring. Lodge members performed a different program at each campfire for all five weeks of camp that year. November 12-13 members of Achunanchi Lodge 135 attended a Lodge Officer Training Course at Camp Tukabatchee.

The lodge issued a philatelic cachet celebrating the 100th anniversary of the start of the Civil War. These sold for 20 cents in 1961.

March 11-12, 1962, the Sagahatchee Chapter built a bridge on the Horseshoe Bend Trail. The Horseshoe Bend Trail medal was designed at fall fellowship that year and was sold for \$1.20. The 100th hiker hiked in November. At conclave the lodge won the William H. Edwards Award and the dance team won the Feather Award. There were seven weeks of camp in 1962. Felix Steele was selected as Honor Staff member. The lodge chief's John Dowe award medal was first mentioned in a newsletter this year. A Where to Go Camping Guide was published.

Nine lodge members attended the 1963 National Order of the Arrow Conference. John Dowe received the Distinguished Service Award (DSA) that same year. Several trails were built at camp this year as well as a JLTC training site. There were seven weeks of summer camp and Loy A. Singleton Jr was selected as the Honor Staff member. The Alibamu Voyageurs program was started this summer. Eleven went on the first trip in six canoes at a cost of \$2 each. There were 57 total participants in 1963 with six segments awarded for multiple trips. That summer the Horseshoe Bend Trail saw its 1500th hiker. On April 20, over 80 members of the dance team performed at the council Scout circus. Sometime around now the Pilgrimage became an Ordeal instead of a fellowship. The Carver Chapter inducted 20 members this year. The lodge earned the William H. Edwards Award at conclave.

In 1964, the lodge received Area V-a's E. Urner Goodman Award. This award was given to the lodge in the area that best promoted Scout camping. This award was given until 1969 when it became a national award. Perhaps John Dowe gave the idea to the National Committee. Lodge flaps were restricted to two per year. The lodge participated in or hosted an Indian lore exhibit at the Montgomery Museum of Fine Arts in April. There were eight weeks of summer camp. The lodge presented a totem pole to the camp. The staff members of the year were Jack Friday and Joe Clay Dean. There were 39 Voyageur participants. 1964 saw the start of having an Ordeal weekend before camp. Mr. Bill Crane took ten Arrowmen from the Cahaba Chapter to the World's Fair in New York as part of the service troop and to dance.

The lodge received the Order of the Arrow's Golden Anniversary Award in 1965. Charles B. McKee received the DSA the same year. The Order's 50th Anniversary Award was earned by 47 lodge members. Ten new totem poles were presented to camp that summer. The staff member of the year was Bill Hare. The lodge's 50th Anniversary project was a 16' x 24' shelter built at Eagle's Nest at Camp Tukabatchee and was named "Arrow Camp." There was already talk of a "New Camp" in 1965. The lodge helped host the Explorer Aquatics camp at Camp Talisi on Lake Martin August 8-13. A new Where to Go Camping Guide was published. Explorer Scouts were added to the Taskigi Chapter this year and an Ordeal was held at Camp Atkins August 12. In November the lodge participated in another Indian Lore exhibit at the Montgomery Museum of Fine Arts. The 25th anniversary patch was issued at the May 15 Horseshoe Bend Trail workday. Lodge dues were \$1.50.

There were eight weeks of camp in 1966. Towassi Chapter formed a dance team called the Nendawen Dancers. The first Allogagan fellowship was held this year.

Six Arrowmen represented the Alibamu Lodge at the 1969 National Order of the Arrow Conference at Indiana University. On November 22, 1969, the lodge hosted the Lodge Officer's Training Course (LOTC) at the Alabama Christian College in Montgomery. This is similar to today's Section Officers Seminar.

The 30th anniversary 1969 patch was the fall fellowship patch and was sold for \$1. Lodge flaps were restricted to one per function. There were eight weeks of summer camp. At conclave a lodge member found Mr. Axe.

At the 1970 conclave, Joe Crawford placed 3rd in the dance competition and Robbie Noles found Mr. Axe. The lodge placed 2nd in the archery competition. At fall fellowship, 30th anniversary patches were sold for \$1 and 600 30th anniversary mugs were also sold for \$1. A LOTC was held this year.

Roy Nix found Mr. Axe at the 1971 conclave. The lodge placed 2nd in Olympics and received the William H. Edwards Award. Robbie Noles placed 3rd for the Morgan Weed training award. George Eskridge was 3rd in the dance.

Beginning in 1972 lodge flaps were no longer sold through the mail. At conclave Michael Hicks found Mr. Axe and George Eskridge placed 1st in the dance competition. A LOTC was held this year. Another LOTC was held in 1973.

In 1975, two new trails, the Environmental Trail and the Battlefield Trek, were added to the Horseshoe Bend Trail area. These trails are still in existence, but the Alibamu Lodge does not run them.

Another LOTC was held in 1976.

Sometime between 1977 and 1980 the vice chief position was split into 3 offices. The single vice chief position was reinstated in 1992.

We also qualified as a Section Honor Lodge. In the adult competitions, Mr. Joe Rightmyer and Mr. Bill Cox won the dessert contest, Mr. Gary Backus had the third place Pinewood Derby car for design and our adult tug-of-war team beat the best youth team! All of this led to Alibamu being the 2016-2017 Best All Around Lodge (the sixth year in a row). 91% of the summer camp staff were OA members.

The 2017-2018 year started out well with Hunter Gay attending OA Trail Crew at Philmont. This qualified him for the OA's High Adventure Triple Crown Award. At the 2017 National Scout Jamboree, Sam Thompson served as an OA Trek Guide and Addison Broom served on the OA Service Corps. The 11th annual Merit Badge Day was a great success. In October we held our first ever Fall Hangout during the second Spookree weekend. We hung out Friday night playing games and carving pumpkins then helped with the Spookoree the next day. Fall fellowship attendance was low due to a huge snowstorm that blew through on Friday. The athletic field saw 8 inches of snow! Everyone made the best of it with a giant snowman and Wischixin in the snow! This year the lodge demolished and rebuilt the stage on John Dowe Island. In April we hosted a well attended council camporee. A few weeks later we traveled to Camp Comer for the 2018 Gathering. Our lodge members worked hard to earn the following awards: First place - Addison Broom fancy dance, website, Instagram, Wischixin, Quest overall, best trained; Second place - Addison Broom fancy dance outfit, admin events overall, lodge chief show competitions; Third place - volleyball, Ultimate. All of this plus our year round efforts led to another Best All Around Lodge title (the seventh year in a row). 86% of the summer camp staff were OA members. We ended 2017 with 361 members including 80 Ordeal, 38 Brotherhood, and 5 Vigil inductions.

2018-2019 was another great year. Although membership was down, we still ended the year as a Journey to Excellence Silver lodge. 2018 saw 40 Ordeal, 34 Brotherhood, and 5 Vigil inductions with a total of 268 members. The fires at Philmont kept us f

rom sending anyone to OA Trail Crew although two had signed up. We took 22 delegates and had 4 staff members at the NOAC at Michigan State University. Lucas Lynn placed first in the national science fair! Ryan Holtzscher placed third overall in the Spartan Race and first in the under-18 age group. The Ultimate Frisbee team placed second in the nation falling to a team composed of members from 4 lodges. We held another successful Merit Badge Day at Frazer UMC. For the 2019 conclave, Ryan Holtzscher served as Quest CVC. Ryan came in third in the lodge chief pie eating contest and we were the third best trained lodge. First place in the planbook and newsletter competitions earned us first place overall in the admin events. In the Quest we came in third in the tug-of-war and first in Wischixin, Ultimate, and overall. Our overall cheerfulness all weekend and interaction with the other lodges saw us win the spirit award. All of these accomplishments in addition to our year round activities led to another Best All Around Lodge award! At summer camp, 90% of the staff members were OA members.

Adam and Ryan Holtzscher attended OA Trail Crew at Philmont during OATC's 25th anniversary in 2019. They were the 44th and 45th OA high adventure participants from our lodge. In September, the Yacht Club met again at the USS Alabama in Mobile. We ended 2019 with 278 members including 53 new Ordeal, 36 new Brotherhood, and 5 new Vigil members (6 including one at New Year's). Our first youth female members were inducted in 2019 as well. National changed the national lodge standings to Lodge Performance Measurement Program for 2019 and we qualified as a "Thriving" lodge. Because of COVID-19 concerns, the 2020 annual section conclave was not held, the Allogagan Ordeal was postponed and we were not able to hold a summer camp OA night. The 2020 NOAC was canceled as well.

2020-2021 was a very successful year despite COVID-19 lockdowns and challenges. Attendance at events was higher than the previous year which was likely due to everyone wanting to get out of the house after lockdown. We ended 2020 with 243 members including 50 new Ordeal, 37 new Brotherhood, and 5 new Vigil members) and obtained High Performing status in the Lodge Performance Measurement Program. We performed 3,410 hours of service and donated \$7,804 in cash and materials to the council. After missing conclave in 2020 it was great to see our section friends again at the 2021 conclave at Camp Patten. We were the Tailypo booth champion, best trained lodge, Wischixin champion, and won the spirit award. Jeremiah Croskey placed second in the fancy dance with the first place fancy outfit. In the virtual events, we took third in planbook and website and first in

newsletter and Instagram. That gave us first place overall in the virtual events. It was great to get back to summer camp after a year off from that as well. The camp staff was 95% OA members. The lodge earned the Southern Region's We Support Camping Award for 2020.

Member participation remained at current levels for 2021-2022. We ended 2021 with 255 members including 41 new Ordeal, 33 new Brotherhood, and 2 new Vigil members. We were a High Performing lodge in the Lodge Performance Measurement Program for the second year in a row. We performed 3,766 hours of service and donated \$7,900 in cash and materials to the council. At fall fellowship our first ever time capsule was buried and it'll be opened at the 2040 fall fellowship in time for the lodge's 100th anniversary. At the 2022 conclave, we placed first in Wischixin, second in the rock, paper, scissors tournament, third in Ultimate, and first in overall Quest. Although we weren't as successful at conclave as we usually are, our year round efforts paid off with our tenth straight section Best All Around Lodge award! Nathan Crew was elected to serve as the 2023 Section E6 Vice Chief. An amazing 98% of the summer camp staff were OA members.

It was another great program year for 2022-2023. We ended 2022 with 225 members including 30 new Ordeal, 12 new Brotherhood, and 5 new Vigil members. We were a High Performing lodge in the Lodge Performance Measurement Program for the third year in a row. We performed 2,642 hours of service and donated \$7,039 in cash and materials to the council. We sent 35 delegates and staff to the 2022 NOAC at the University of Tennessee. The 2023 conclave was held at Camp Tukabatchee. With 733 delegates in attendance this was the largest event in the history of Camp Tukabatchee along with the largest Alibamu contingent ever at 136. We placed first in Wischixin, Ultimate, Facebook, and Instagram. Then second in spirit award, newsletter, and volleyball. That led to first overall for Quest and our eleventh straight section Best All Around Lodge award! We ended the year with 93% of the summer camp staff being OA members.

2023- 2024 has been another amazing year for the Alibamu Lodge. The Lodge earned Best All Around Lodge in our Section for the 12th consecutive year. We are on target to being High performing in the Lodge Performance Measurement Program. Alibamu sent 18 total members to the National Order of the Arrow Conference in Boulder, Colorado. The Youth staff and delegates from our lodge brought home the National Ultimate Frisbee championship! This is no small feat considering there are over 250 Lodges in the country.

The 2024–2025 program year was a landmark for Alibamu Lodge as we celebrated our 85th anniversary and embraced a new era with a surge of young Arrowmen shaping the Lodge. At the Section E6 Conclave, we kept up the tradition of excellence by earning Best-All-Around Lodge for the 13th consecutive year and achieved High Performing status in the Lodge Performance Measurement Program. Alibamu also placed first in Newsletter, Quest, Wischixin, and Volleyball. We placed second in Instagram and third in Ultimate Frisbee and Attendance.

At home, we inducted 26 new Ordeal members, 23 Brotherhood members, and 5 Vigil members. Our year was also marked by outstanding fellowship, training, and support for summer camp. For the first time, we hosted a five-mile hike event for anyone in the council to complete the requirement for second class while exploring our beautiful Camp Tukabatchee. Our lodge completed a total of 4,124 service hours for our council and camp. The energy, commitment, and spirit of this year set a new standard for the lodge and reinforced our traditions of cheerfully serving our council and our community.

Our lodge continues to be very active in section leadership. Alibamu has had seventeen section chiefs and is the home of four national officers. But the amazing thing is that despite the many people who are active on the section, region, and national levels, the lodge still maintains top-rated programs. We also sponsor an Order of the Arrow night at summer camp. Each year, the lodge has two ordeals, a fall fellowship, and we send enthusiastic contingents to gatherings. Every other year, we send at least fifteen to twenty Arrowmen to the National Order of the Arrow Conference as participants and for the last several conferences, we have had at least four Arrowmen serve on staff as well.

Spend a week building trails or performing ocean service projects at one of the BSA's 4 high adventure bases, and then be rewarded with a second week hiking, canoeing, sailing, or just playing in the waters of the Florida Keys. An experience of a lifetime and a lifetime of memories are the greatest reward you'll receive.

Visit adventure.oa-bsa.org for more information about these exciting programs at Philmont, Northern Tier, Florida Sea Base, and the Summit. Participants must be aged 16-20 except for at the Summit, aged 14-17

Talk to lodge chief Lucas Luster about potential scholarships.

The scholarship deadline is March 15 each year.
